

Yomna Rébaï-Zéraï was born in Tunis on 23 June 1970. She is married and mother of two children born on December 9, 1999 and August 20, 2003.

After a baccalaureat in mathematics, obtained in June 1988, Yomna joined the École Normale Supérieure in Bizerte and obtained the DEUG in Mathematics-Physics in June 1990 and then obtained a Master's degree in Mathematics in June 1992.

She then pursued a postgraduate course in Paris: DEA in Nonlinear Analysis at the University of Paris-Dauphine and the École Polytechnique in June 1993 (Master's thesis supervised by Olivier Rey).

PhD in Mathematics at École Normale Supérieure de Cachan under the direction of Frank Pacard, defended on June 24, 1997.

Her Habilitation to direct researches in mathematics was defended on February 11, 2011 at the Faculty of Sciences of Bizerte, University of Carthage.

Yomna taught as ATER at the University of Paris 12 Créteil from 1994 to 1998. Recruited in Tunisia in September 1998: Assistant Professor at the Faculty of Sciences of Bizerte from 1998 to 2012, then lecturer at the FSB until 2013.

Currently Lecturer in Mathematics at the École Polytechnique de Tunisie, Director of the Department of Virtual Education at the University of Carthage and an elected member of the Council of the University of Carthage representing Lecturers and Professors.

Researcher in mathematics specializing in nonlinear elliptic and parabolic EDPs: study of the singular solutions of EDP.

Founding member of the international association of TSC Tunisian Scientists (Tunisian Scientific Consortium) in 1995. President of this association in Tunisia since 2012.

Member of the organizing committee and the scientific committee of the school CARI'2016-CIMPA'2016.
